one medical

Affirming care for every body

At One Medical, we are deeply committed to providing culturally competent, inclusive, and affirming primary care — where everyone, regardless of who they love or how they identify, feels seen, heard, and cared for.

Compassionate care with Pride

- ✓ Judgment free primary care
- Identity affirming
- Providers who get you
- PrEP management
- Onsite labs
- Hormonal therapy
- Chronic conditions

[EMPLOYER] covers the cost of One Medical membership for you[, your spouse/partner, and dependents].
